Logging into Davis Advantage

Go to www.davisadvantage.com and click the login/join button.

Enter your login credentials and click "Login."

A screenshot of the "Existing Member Login" form. The form is enclosed in a red rectangular box. It contains two input fields: the first for an email address, which has "colleenfad5@gmail.com" entered, and the second for a password, which has "*****" entered. Below the password field is a green "LOGIN" button. Underneath the button is a link that says "FORGOT PASSWORD?". Below the entire login form is a section titled "New to F.A. Davis? Signup Now!" with a "CREATE ACCOUNT" button. A red arrow points from the "CREATE ACCOUNT" button up to the "LOGIN" button.

If you do not have a Davis Advantage account, click "Create Account."

A screenshot of the "Existing Member Login" form, identical to the one above. However, the "CREATE ACCOUNT" button in the "New to F.A. Davis? Signup Now!" section is now highlighted with a red rectangular box. A red arrow points from the "CREATE ACCOUNT" button up to the "LOGIN" button, and another red arrow points from the "CREATE ACCOUNT" button down to the "CREATE ACCOUNT" button in the highlighted box.

Enter your credentials and then click "Create Account."

Redeeming Access Codes

Please note that before you redeem an access code, you must first create an account within Davis Advantage (see instructions above).

Access codes are provided by F.A. Davis. If you buy a **new** book, the access code will be provided within the book. If you do not buy a new book, you can purchase an access code online.

Students Who Purchased a New Book

If you have purchased a **new** book, there will be an access code on the inside of your book. To redeem your access code, (1) scratch off the protective covering of the access code, (2) click Redeem Access Code, (3) type in the access code in the Enter Access Code box, and (4) click submit.

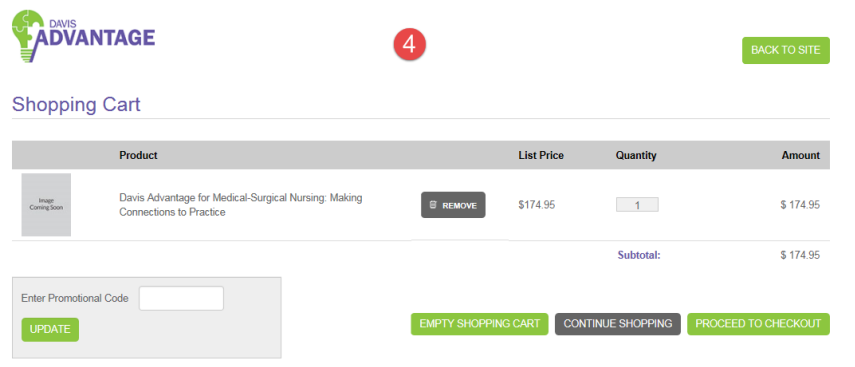

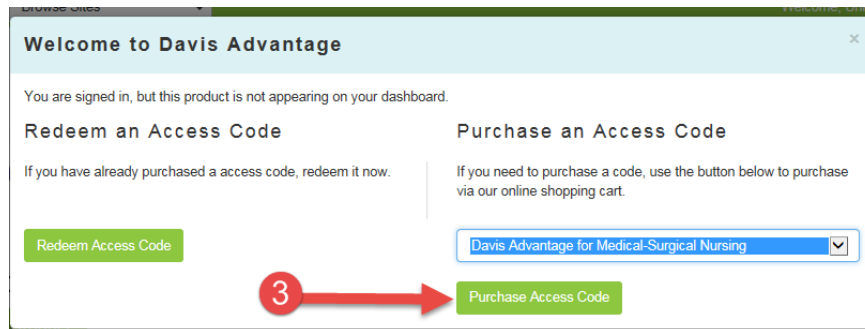

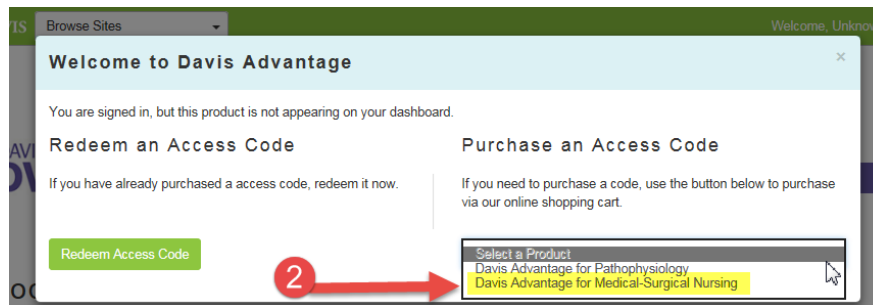

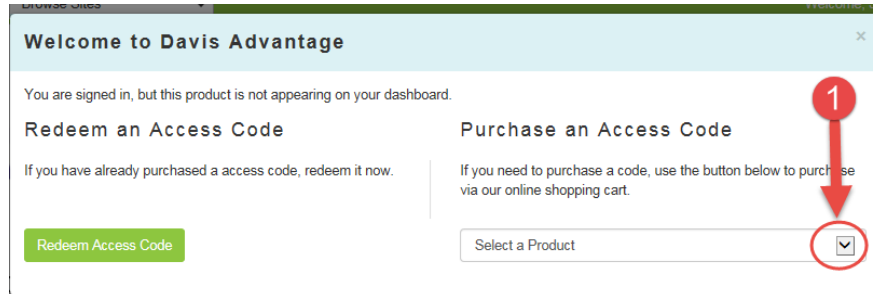

The image consists of two screenshots of the Davis Advantage website interface, illustrating the steps to redeem an access code.

Top Screenshot: The page title is "Welcome to Davis Advantage". Below the title, there is a message: "You are signed in, but this product is not appearing on your dashboard." There are two main sections: "Redeem an Access Code" and "Purchase an Access Code". Under "Redeem an Access Code", there is a green button labeled "Redeem Access Code". A red circle with the number "2" and a red arrow points to this button.

Bottom Screenshot: The page title is "Welcome to Davis Advantage". Below the title, there is a message: "You are signed in, but this product is not appearing on your dashboard." There are two main sections: "Redeem an Access Code" and "Purchase an Access Code". Under "Redeem an Access Code", there is a text input field labeled "Enter Access Code" containing the text "1234567". Below the input field is a link: "How do I find my Access Code?". A red circle with the number "3" and a red arrow points to the input field. Below the input field, there is a green button labeled "Submit". A red circle with the number "4" and a red arrow points to this button.

Students Who Choose to Purchase an Access Code

If you did not purchase a new book and would like to purchase an access code, (1) click on the dropdown menu under "Purchase an Access Code," (2) Select "Davis Advantage for Medical-Surgical Nursing," (3) click "Purchase Access Code," (4) follow the instructions provided in your shopping cart.

DASHBOARD

Login

After you log into Davis Advantage, you will reach your “dashboard.” After you have created an account **and** entered an access code, you will have access to the content instantly.

Joining Your Instructor’s Class

In order to join your instructor’s class, you will need to enter a Class ID. The class id will be provided to you by your instructor.

When you enroll your instructor’s Davis Advantage med-surg class, you will also be enrolled in your instructor’s Davis Edge med-surg class.

After logging into Davis Advantage, the dashboard will be displayed. Click the “Launch” button.

Medical-Surgical Nursing:
Making Connections to Practice

[Launch](#)

You will have access to the product instantly, but in order to connect with your instructors' class, you will need to enter the class id and click "join class."

Join a Class

If you are part of a class, your instructor will give you a class ID that will link you to the assignments associated with that class. If you have a ID, enter it in the box below.

By entering a Class ID, you give your instructor permission to monitor your progress and modify the default settings for this product, such as access to topics and activities and progress.

Your instructor will need to confirm your enrollment before you gain access to the class.

To avoid losing any work based on instructor class set up preference, we strongly recommend waiting to complete any our until you are accepted into your instructor's class.

If you join a class, your Independent Study, will no longer appear on your dashboard.

Join Class

Joining a class allows you to access the work your instructor prepared and for your progress to be tracked by the instructor. **After your instructor accepts you into the class, you will see the class. We recommend you wait to complete any work until after your instructor has enrolled you in the class.**

ASSIGNMENTS

Upon logging in, you will immediately see your assignment screen. This allows you to quickly access current assignments from your instructor. Each assignment is mapped to the textbook chapters. You can either read the content in the printed textbook or click on the e-book link to be taken to the specific chapter in the e-book, allowing for a seamless experience. Assignments will be listed by their due date. To begin, click "Start."

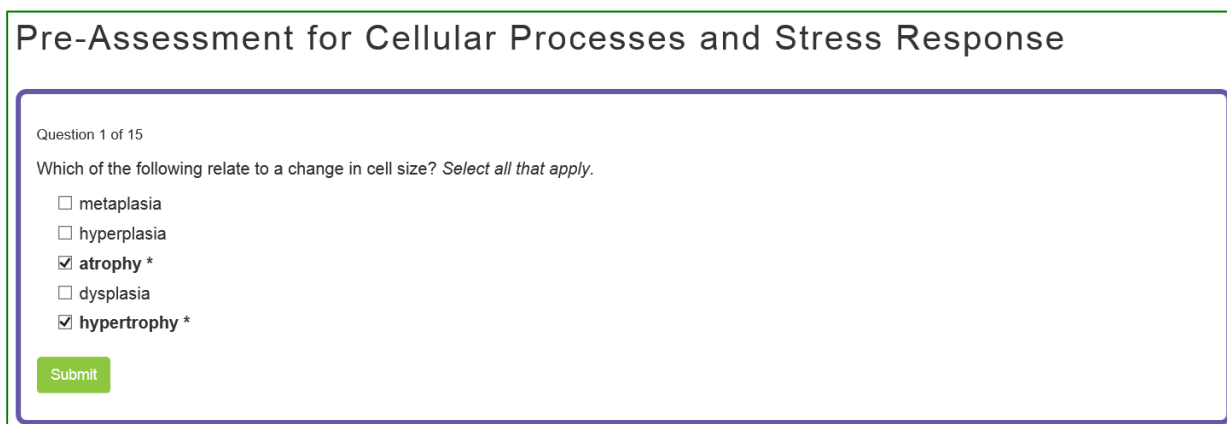

Taking a Pre-Assessment

Each assignment begins with a pre-assessment. This gauges your comprehension and retention of the content and concepts within that topic. The data collected drives your Personalized Learning Plan (PLP). Each pre-assessment is about 5 questions long. You may only take the pre-assessment once. To start the pre-assessment, click "Continue."

Pre-assessment questions are given in single- or multiple-answer multiple choice. Choose your options and click "Submit."

Pre-Assessment Results

After taking the pre-assessment, you will be able to visually understand your strengths and weaknesses. A green thumbs-up indicates competency (a score of 80% or higher on related questions in the pre-assessment). A red thumbs-down signals areas that need improvement (less than 80%). Your pre-assessment results feed into your PLP.

PERSONALIZED LEARNING PLAN (PLP)

The Personalized Learning Plan, or PLP, is your path to success. The Assignments page directs the entire class; however, the PLP is individualized based on your needs.

If your pre-assessment results indicate that you're struggling in a topic, then you *must* watch the video and complete the assignment before the post-assessment is unlocked.

Each topic includes a video, activity, and post-assessment.

Video

The videos are animated mini-lectures that deliver key concepts to make the content more accessible and memorable. You can replay videos as many times as you need to understand the content. You may also view the video transcript, if necessary.

Immunodeficiency and HIV

The video player interface shows a video titled "Immunodeficiency and HIV". The video content displays a corkboard with two notes: "INITIAL HIV INFECTION" and "MILD SYMPTOMS: SLIGHT FEVER, LYMPHADENOPATHY". The video player includes a play button, a progress bar at 04:07, and a "Next" button. A "View Transcript" button is also present.

Activity

Activities are designed to check your understanding or expand your knowledge through interactive, exploratory learning exercises such as case studies and drag-and-drop activities. All activities include full rationales.

Immunodeficiency and HIV

The activity interface shows a question titled "Question 1 of 5". The question text is: "Can you differentiate assessment data for immunodeficiency disorders? For each disorder, drag and drop the clinical manifestations associated with the specific disorder to the box." The activity is titled "DiGeorge's Syndrome". There is a large empty box for the answer. To the right, there is a list of clinical manifestations to be dragged and dropped: "Recurrent infections", "Cardiac abnormalities", "Hypercalcemia", "Gastroesophageal reflux", and "Diarrhea".

Post-Assessment

After completing the video and activity, you will unlock the post-assessment. Each post-assessment consists of five questions.

Post-Assessment for Immunodeficiency and HIV

Question 1 of 5

Which laboratory data should the nurse anticipate when providing care to a patient who is immunocompromised?

- ☐ Decreased platelet count
- ☐ Increased sedimentation rate
- ☐ Decreased red blood cell count
- ☐ Decreased white blood cell count

Submit

Post-assessment results will feed into the Personalized Learning Plan (PLP). Once you complete your post-assessment, the topic will be marked as complete. You may retake the post-assessment as many times as you like. If the instructor has assigned a due date to the topic, you must show “complete” the topic by 11:59 p.m. Eastern on the due date.

Post-Assessment Results

As you progress through the course, your PLPs will grow to reflect what you have achieved. All of your progress is reported back to your instructor, so your instructor can understand areas of strengths and weaknesses in your whole class. Again, green thumbs-up represent a score of 80% or higher; red thumbs-down represents less than 80%.
